

Adviser Profile

Philippa Baker

B.Com, Dip FS (FP)

Private Client Adviser

Representative of Tynan Mackenzie Pty Ltd

Philippa Baker has over 8 years experience in the Financial Planning Industry, having worked in an array of client facing, strategy development and technical investment research roles. She has experience in advising individuals and small business owners in the areas of wealth accumulation, taxation planning, personal insurance and retirement planning.

As a Financial Adviser, Philippa particularly enjoys the ongoing friendships she develops with clients and the satisfaction of partnering with them to achieve their financial goals. This is achieved through continual financial education for her clients and the development of a comprehensive and effective plan that is agreed upon and visited regularly.

Philippa completed a Bachelor of Commerce majoring in Accounting and Financial Planning and is currently studying Honours in Finance through Griffith University. She also holds the Diploma of Financial Services in Financial Planning and is an active member of the Financial Planning Association.
